

Donors have many choices when leaving a gift to the Foundation, which can be tailored to their personal philanthropic vision. Gifts can be dedicated to:

1. *Where the need is greatest.* The Foundation's **Community Legacy Fund** is a permanently-held endowment, the annual earnings of which provide funding to charities throughout the Sunshine Coast based on their identified priorities.

"I give the sum of \$ ___ or ___% of or the residue of my estate to the SUNSHINE COAST FOUNDATION, charitable registration #896086105RR0001, to be applied to its COMMUNITY LEGACY FUND. It is my wish that this gift be held in perpetuity and that the annual grant making therefrom, as determined by the Board of the SUNSHINE COAST FOUNDATION, be used for charitable grants in the community."

2. *An existing endowment.* The Foundation stewards more than 70 permanent endowments dedicated to a variety of charitable causes.

"I give the sum of \$ ___ or ___% of or the residue of my estate to the SUNSHINE COAST FOUNDATION, charitable registration #896086105RR0001, to be applied to the _____ Fund. It is my wish that this gift be held in perpetuity and that the annual grant making therefrom, as determined by the Board of the SUNSHINE COAST FOUNDATION, be devoted to the charitable interests as set out in the _____ Fund."

3. *A new endowment.* Creating a new endowment in the testator's name or the name of a loved one is an exciting and generous way to leave a permanent legacy of community benefits.

"I give the sum of \$ ___ or ___% of or the residue of my estate to the SUNSHINE COAST FOUNDATION, charitable registration #896086105RR0001, to establish a fund in my name [or the name of _____]. It is my wish that this gift be held in perpetuity and that the annual grant making therefrom, as determined by the Board of the SUNSHINE COAST FOUNDATION, be devoted to [name a charitable interest or a charitable organization] on the Sunshine Coast."

4. *The Foundation's operations.* We operate a very lean organization with low administrative costs. Nonetheless, we require donations to operations to respond to donors' wishes and administer community grants.

"I give the sum of \$ ___ or ___% of or the residue of my estate to the SUNSHINE COAST FOUNDATION, charitable registration #896086105RR0001, to be used for general purposes at the discretion of the Foundation's Directors."
